

**WE ARE THE
SOLUTIONS PROVIDER.
WE ARE
AMERICAN WATER.**

**For customized solutions that can help overcome budget gaps,
declining credit ratings or borrowing capacity limitations,
American Water delivers.**

Put the power of the largest investor-owned U.S. water and wastewater services company to work for your municipality. With a proven history of success working with communities around the country, we are making a difference for municipalities through innovative and responsible ways of addressing financial and infrastructure challenges.

Visit www.amwater.com/relief or call Bill Patterson at (856) 346-8200 to learn more about how American Water can help cities like yours.
