All service connection charges will be gross-up for federal income tax if any should occur.  
The customer shall pay to the Company the service connection charge prior to installation.

Turn-on and shut-off charges during normal scheduled working hours associated with new accounts, seasonal customers, as well as non-payment and rules violation situations, will be \$25.00. An additional charge of \$25.00 will be made for all returned checks tendered.

**METER RATES (Continued)**

A multiple unit housing development owned by an individual, partnership or corporation other than a governmental authority where each and every unit in the development has at all times the same common owner, is located on a single site composed of one or more contiguous parcels; where the housing development owns, maintains and operates all lines of pipe for the distribution of water within the site; and where the housing development furnishes water to its tenants as part of the considerations for the rent charged and does not install, maintain or operate water meters for the sub-metering of water service; where the housing development enters into a special contract with the Company, with such guarantee as may be satisfactory to the Company, to pay to the Company, a minimum of \$5,000 per month for water service to said premises; at the regularly established rates of the Company.

Meters, except those installed on private fire connections or sewer exempt meters will be furnished, installed and removed by the Company and shall remain its property.

When meters are installed for the purpose of allowing customers to use water and be exempt from sewer charges, the customer shall provide a meter and installation at his expense; however, the meter location and type must be approved by the Water Company.

Turn-on and shut-off charges during normal scheduled working hours will be \$ 25.00.

An additional charge of \$ 25.00 will be made for all returned checks tendered.
