Re: West Virginia-American Water Company
2010 Rate Case Filing
PSC Case No. 10-0920-W-42T

Dear Ms. Squire:

Enclosed please find an original and six copies of further revisions to the Company's tariff sheets setting forth the rates and charges approved in the Commission Order dated April 18, 2011 in this case.

On consultation with the Commission Staff, the Company has identified an error in the rate design used to generate the rate blocks included in the revised tariff sheets the Company filed in this docket on April 28, 2011. The enclosed tariff sheets correct this error. The effect of the error was *de minimus*, amounting to a difference of approximately 0.02%.

Please file this letter and tariff sheets and circulate the six additional copies to the appropriate parties at the Commission. We also ask that you date stamp the extra copy provided and return it with our messenger. As always, we appreciate your assistance in this matter.

Very truly yours,

Christopher L. Callas
